Simon Says

From the Zambrero Willetton Tigers Women's NBL1 Coach, Simon Parker

We are well into the season now and sitting second on the ladder with a record of 7 wins and 1 loss which is a fantastic result, considering we haven't had our full senior squad available to date.

Over the next month we only have three games which will allow us to reset, get healthy and attack the back end of the season in working towards the finals. Our senior group has been playing some great basketball and continuing on with good form from last season, they are continually improving and getting better each week.

Our Juniors, when given opportunity, have been very impressive in what is their first year playing NBL1. The coaches are really excited about the future of NBL1 at WILLETTON.

We played a game in Bunbury last night and I write this article hoping we have come away with a good win against the Slammers.

It's a tough game tonight against the Magic. They have recruited well and put together a Championship challenging team so we have plenty of work to do if we going to win this game. The players are focused and ready for what should be a good battle! Go Tigers!!

Nener's News

From the Zambrero Willetton Tigers Men's NBL1 Coach, Adam Nener

Welcome to tonight's game against the Mandurah Magic in which we welcome coach Jamie O'Loughlin to the NBL1 West league. Jamie has previously been an assistant coach with the Cairns Taipans. The Magic are a team loaded with talent, led at the front by the big man Ray Turner. Turner recently has been playing in the NBL1 South for Bendigo and before that had a stint in the NBL with the Sydney Kings. Along with Turner are point guard Kyle Armour, imports Jay Bowie and Dequan Abrom and young guns Riley Parker and Byron Pearson.

We will need to be on top of our game to stop their offensive firepower that's for sure! Tonight we also celebrate Michael Vigor or "Vigs" as we know him on his 250th game in the league. This is a huge achievement for a guy that has played all over the world and a testament to the player he is! Vigs leads at the front for us with his high basketball IQ and leaves everything on the court each and every game for us!! Again congratulations to Vigs. We hope you enjoy the game and please come upstairs to the Function Room after the game to meet any of your favourite players.

Go Tigers!!
