Nominee Written Statement

Nominee to provide a copy of their CV and provide a written statement of **not more than 200 words** specifically addressing the key competencies and criteria of the role – in particular any other Board and/or Committee roles, and any positions held that may assist the application. Some background information concerning the person who is the candidate for election and particulars of any policies or matters that person intends to pursue, if elected.

My involvement in basketball spans almost four decades and includes leadership roles at community, state, national, and international levels. While I am best known for my coaching achievements, my career has also involved strategic planning, governance, budget oversight, stakeholder engagement, program development, and organizational leadership.

Willetton Basketball has played a significant role throughout my career. As Head Coach, I led the Willetton Tigers to the State Championship in 1987 and to State League Finals success in 2015. I also helped establish the basketball program at Willetton Senior High School through a partnership with Basketball Australia and the Western Australian Department of Education, creating a pathway for young athletes within the local community.

Beyond coaching, I held senior leadership positions at the Western Australian Institute of Sport, including Acting Executive Director and Performance Team Director, with responsibility for strategic planning, staff leadership, stakeholder management, and oversight of significant public investment. As National Director of Coaching at the Malaysian Institute of Sport, I worked with government and sporting bodies to develop coaching systems and accountability frameworks.

If elected, I will contribute to strong governance, responsible decision-making, member engagement, and the continued growth and sustainability of Willetton Basketball.
