Nominee Written Statement

Nominee to provide a copy of their CV and provide a written statement of **not more than 200 words** specifically addressing the key competencies and criteria of the role – in particular any other Board and/or Committee roles, and any positions held that may assist the application. Some background information concerning the person who is the candidate for election and particulars of any policies or matters that person intends to pursue, if elected.

I have been involved with the Willetton Basketball Association for approximately 15 years and have played basketball since my late teens. Over that time, four of my six children have also participated in various Willetton programs.

I have contributed to the Association in a range of volunteer roles, including team manager, coach, event support and bar work. For the past five years, I have served as an appointed Board Member. I have thoroughly enjoyed the role and would welcome the opportunity to be considered for election as a Director at this AGM.

For the past seven years, I have also served as National Company Secretary and National Registrar for an unfunded, not-for-profit Olympic sport. In that role, I helped ensure that two Olympic teams were selected in accordance with World Aquatics guidelines and could compete in the World Cups leading up to, and at, the Olympic Games in 2021 and 2024. I am currently involved in developing athletes for the LA 2028 and Brisbane 2032 Olympic cycle. This experience has given me insight into the financial pressures facing unfunded sports and the importance of making sustainable, responsible decisions while supporting high-performance athletes.

My governance contributions to the sport have included helping establish a Perth Centre of Excellence where athletes live and train together, introducing a new member registration system, and supporting the organisation's transition from an incorporated body to a company limited by guarantee. I have also contributed to recruiting key personnel, rewriting and implementing the Constitution, developing and delivering policies and procedures, adopting the National Integrity Framework, and coordinating annual AGMs.

I would bring to the Director role a strong commitment to Willetton, a long-standing connection to basketball, and practical experience in governance, administration and the development of sporting organisations.
